4) Temporary recognition has been granted to this school for the year 1946-47 only.

5) In the application submitted by the Management of this school for the grant of recognition to the school it is stated that a sum of Rs.5,000/- is deposited in the Treasury and that they would collect about Rs.60,000/- by the end of March 1947 after the harvest. The School is having 2 sections in the first year class and the total strength of the two sections is stated to be 82 as on 3-8-1946. The items of authorised expenditure incurred by the Management of this school are stated to be as follows -

Headmaster (Pay plus D A. Rs.110/- + 22½) ...	Rs.132 8 0	per mensem.
2 Assistant Masters on Rs.52/- each in the grade Rs 40-4-60 (Pay Rs.104/- + D A. Rs.30)	Rs.134 0 0	-do-
2 Peons on Rs 10/- each (Pay Rs.20/- plus D A Rs 24/-)	Rs. 44 0 0	-do-
1 part time allowance clerk and Drill - Instructor ~~xxxxxxxxx~~	Rs. 20 0 0	-do-
	Rs. 25 0 0	-do-
Contingency.	Rs. 5 0 0	-do-
Total	Rs.360 8 0	per mensem.

6) The total authorised expenditure per annum is therefore 360½ X 12 minus the part-time allowance for 3 months i.e., Rs.4,266/- and the average authorised expenditure is Rs.355-8-0 per mensem. Allowing 20 percent free-ships the total fee income of the school will be Rs.1,584/- per annum (82-16 x 3 x 8). The average fee income will be Rs 132/- per mensem (i.e., Rs.1,584 ÷ 12) It will thus be seen that the Lanagement is incurring

incurring an excess expenditure of Rs 223-8-0 per mensem without taking into account the contribution of Rs 100/- per mensem promised towards the recurring expenditure of the school by the local Municipality. Even after the contribution from the Municipality is taken into account there will be a deficit of Rs 123-8-0 per mensem ~~of~~ or Rs.1,482/- per annum

7) In the above circumstances, I am of opinion that the school is in need of the contribution proposed to be paid by the Local Municipal Council and the proposal deserves favourable consideration

Sir,

Payment of Grant to Vijaya High School, Frenchrocks by the Municipality

I have the honour to enclose herein a copy of letter No. C 7/46 dated 8-9-46 together with a Copy of the resolution of the Municipal Council on the above subject received from the President, Frenchrocks Municipal Council and to state that the Municipal Council have at their meeting held on 31-8-1946 resolved that there is dire need for a High School that in the absence of the present aided High School, the Municipality - would have had to start a Municipal High School, that the Municipal Council hope to improve their income by levy of Toll and other taxes with effect from 1-1-1947 from which date the Municipalyty would be converted into a Town Municipality and that a non-recurring grant of Rs 1000/- and a recurring grant of Rs 100/- P M towards the maintenance of the High School may be granted from the date of the opening of the High School, as prayed for by the Secretary of the High School Committee.

The President has stated that the Municipal Council have no fixed the period for which the recurring grant is to be paid and has suggested a period of five years at the first instance, so that the Municipal Council may be abhe to review the Question at the end of the period having regard to the progress made by the High School

I agree with the President and in the circumstances explained by him in detail request you kindly to obtain sanction

sanction of Government to the payment of a non-recurring grant of Rs. 1000/- and a recurring grant of Rs. 100/- P.M. to the Vijaya High School for a period of five years from the date of opening of the High School and to meet the expenditure in this regard during the current year out of the closing balance of the Municipality. Due provision will be made for this purpose in the future budgets of the Municipality. The connected records accompany.

I have the honour to be,

Copy of letter No.C7/46-47 dated 8th. September, 1946 from the President, Frenchrocks Municipal Council to the Deputy Commissioner, Mandya District, Mandya.

- - -

I have the honour to state that at the meeting of the Frenchrocks Municipal Coundil, held on 31-8-46, the letter No 44 dated 16-8-46 from the Secretary, Vijaya High School Committee, Frenchrocks, requesting the Municipality to grant at least Rs 1000/- towards the non-recurring Expenditure and a minimum of Rs. 100 P M. towards the recurring expenditure of running the High School was con--sidered and the Council have resolved that as a High School is absolutely necessary and as the expenditure that the Municipality would have had to bear if a Municipal High School had been started would have been much more. Your may be requested to obtain sanction of Government to the payment of the grants asked for by the Secretary of the High School Committee, from the date of starting the High School, especially as the income of the Municipality is expected to improve after it becomes a Town Municipality from 1-1-1947. The Vijaya High School is a private High School, started by the Vidya Prachara Sangha (which has been registered under Act III of 1904) and permission has been granted by the Department of Public Instruction, to start the school. During the current year it has got only the High School I year class which has a total strength of 82 including 3 girls of these*come from the Local Middle School and the rest from other Middle Schools in the taluk. It will be seen that the number of students who pass the M.S Examination from the Middle School in Frenchrocks Town(~~School and there had been~~) alone would be sufficient to feed a High School and there had been representations in the past two District and taluk conferences for starting a High School in Frenchrocks. These representations were referred by you to the Municipality and if the Vijaya High School had not been started this year the Municipality would have compelled to open a Municipal High School. The Municipality's share of the recurring expenditure of a six section Municipal High School, which would be required in this place when all the three classes are opened would amount to Rs. 3500/- even without taking the dearness allowance into consideration and the Municipality stands to save a lot of money by making a grant of only Rs 100/- P.M. towards the recurring expenditure of the Vijaya High School which takes the place of the Municipal High School which would other-wise be necessary. If the recurring grant from the Municipality is not sanctioned to the Vijaya High School, the school may close down at the end of the - current year and the Municipality will then have to start a Municipal

Municipal High School which will cost atleast 3 times the annual grant now proposed.

This Municipality has had an average income of Rs. 8000/- from octroi during the past 3 years inspite of the very low imports of dutiable goods on account of war conditions and as conditions are returning to normal, the income from Octroi is likely to increase at least by Rs. 2000/- during the next 3 years . Similarly with the realizations from the shandy fees, will also improve As this Municipality becomes a Town Municipality from 1-1-47 tolls can also be levied on vehicles other than motor-vehicles and this will also bring in a substantial income. Inview of these increase expected in the Income of the Municipality, there is not likely to be any difficulty in finding funds for the proposed grant of Rs. 1200/- per annum, to the High School, The Municipality is also in a position to pay the non-recurring grant of Rs. 1000/- as it had an opening balance of Rs. 7451-9-8 on 1-7-46 in addition to the sum of Rs 5000/- invested in National savings Certificates.

the relaxation of the war-time control

In view of these facts I request you to kindly recommended to Government to sanction the payment of a non-recurring lump-sum grant of Rs. 1000/- P.M. for five years from 1-7.1946 to the Vijaya High School, Frenchrocks from the funds of Frenchrocks - Municipality as resolved by the Municipal Council on 31-8-1946.

x and recurring grant of Rs 100/-

Though the Municipal Council has not fixed the period for which the recurring grant is to be paid a period of five years is suggested so that the Municipality may be able to review the question at the end of this period, having regard to the progress made by the School. In the meanwhile, an extract of the Resolution is enclosed.
